DRESS POLICY will be enforced!

Check out the YouTube [https://www.youtube.com/watch? V-Sv3coYsXXs4](https://www.youtube.com/watch?v=V-Sv3coYsXXs4) for a visual explanation of Casual, Business Casual and Business Dress.

The State Leadership Meeting is an excellent opportunity for members to convey to others the positive, professional image of FCCLA. Members' behavior in the hotels and throughout the State Meeting is the only image others in the hotel and host city may ever have of our organization. Student conduct and dress should contribute to the positive, professional image of FCCLA. Today's school attire is not always appropriate for the State Leadership Meeting and the hotel setting. Advisers are responsible for enforcing the dress policy. Delegates not following the dress policy should be ready to accept the consequences.

Appropriate Attire for general sessions, workshops, tours, STAR Event recognition, Legislative Visits:

- The FCCLA official blazer or the Nebraska RED FCCLA POLO and slacks are always appropriate.
- Appropriate dress for general sessions, meeting sessions, and the STAR Events recognition sessions include: slacks and dress shirts, for males; dresses and skirts that are fingertip length or longer or slacks and blouses with sleeves, and not low cut for females.
- Closed toe shoes.

Inappropriate attire, for both men and women, includes

- Denim, flannel, or chambray fabric clothing of any kind, overalls, sweat pant shorts, sagging pants, T-shirts, and halter tops are not appropriate attire for any session.
- Backless, see-through, tight-fitting, spaghetti straps, strapless, extremely short, low-cut or anything too revealing.
- Night wear (pajamas) should not be worn outside of your hotel room.
- Sport shoes, (colored high top tennis shoes) beach shoes, bare feet.

DANCE Dress Code

- Jeans without holes and conference T-Shirt or Polo
- Business casual is always acceptable.
- NO SHORTS, HALTER/TANK TOPS, ETC. Students WILL BE turned away at the door.

ADVISER/CHAPERONE GUIDELINES

Advisers are responsible for the behavior and discipline of their students throughout the conference. Students causing disturbance or displaying inappropriate behavior will be asked to leave the conference and the hotel. All meeting attendees should be informed of the following:

- Behavior at all times should reflect a positive, professional image of you, your school, and the organization.
- Any accidents, injuries, or illnesses should be reported to the adult chaperone or chapter adviser immediately. State staff should be informed of such incidents.
- All students will observe the 12:00 midnight curfew.
- If a student is found responsible for stealing or vandalism, the student and his/her parents/guardians will be expected to pay all damages.

Pre-Registration [Click here for the form](#)

Directions or explanations to help fill out the pre-registration are explained below.

Purpose of Pre-Registration: The success of the State Leadership Conference depends on the involvement of chapters, their advisers and members. The Pre-registration form is to:

1. Help the State Office with Anticipated Attendance
2. Volunteer to assist with the State Leadership Meeting.

Please complete the Pre-Registration form and return **by February 22, 2012**

Assignments for the meeting activities will be emailed to each chapter. Responsibilities are only given to chapters that have indicated willingness on the returned form.

Note: 1. We always need students to help be session hosts.

Note: 2. When volunteering for conference assistance, especially Sunday night and Monday morning, think through your travel plans/agenda to avoid canceling at the last minute.

ADVISER INVOLVEMENT

Registration Desk

During peak times, registration goes faster if advisers assist State Staff with handing out reg. packets.

Assist Counting Ballots

On Monday night, during the first part of the Evening Session at Pershing, one adviser from each district is needed to help count ballots. This usually doesn't last more than 15 to 20 minutes.

General Session Consultants

Two advisers are selected to serve as a consultant for each of the general sessions. These advisers receive directions as to where to place reserved seats, information about guests, etc. Student Ushers, volunteers, and Alumni should follow your directives. We ask you to arrive about 60 minutes before the sessions begin. They need to correspond with Kelly Jefferson in case of changes or incomplete directions.

New Adviser Session

One or two experienced advisers are needed to meet with new advisers and share your ideas on organizing your chapter members for conference and answer questions the new advisers may have.

Career Fair Consultants

Advisers will take turns sitting at a table to watch that only registered students enter the career fair, answer questions that students may have, and collect forms for door prizes, etc.

Host Hospitality Room

Attempts are being made to have a hospitality room for advisers, bus drivers, exhibitors, etc. on Monday.

We may need someone to serve as the host for this room to mainly keep students out.

Power of One Line Up

Assist lining up the Power of ONE award recipients at the Opening General Session.

Tally STAR

On Monday afternoon, the STAR events are tallied. Your assistance & calculators are greatly welcomed.

Lead Tours

Adults are needed to chaperone each group of about 20 students on the tours.

Miscellaneous

Assist in doing task that are unknown at this time.

CHAPTER MEMBER INVOLVEMENT

Ushers for General Sessions

Help by standing at the doorways and be sure that everyone entering has a name badge and meets the dress code. Seat guests, parents, senators, and administrators. Facilitate with the Photo Op at Pershing Auditorium.

Host Sessions

Arrive to sessions 30 minutes early, be sure the signage is correct, assist presenters with handouts, room setup, and introduce the presenters.

Technical Assistants

30 Minutes before sessions start, report to the registration desk to take projectors to proper rooms, set them up, then return them to the registration desk following the session.

Other Assistance (to be determined)

CHAPTER INVOLVEMENT

Spotlight your Projects

Spotlight Your Projects will be held on Monday, April 2 from 9:00 am to 3:00 pm. *Spotlight Your Projects* is an excellent opportunity for chapters to share their successful projects and gather new ideas for future projects. *Please keep in mind the following*

- The project or activity may focus on national or state programs and or a chapter activity.
- Displays must fit on a table top (30" by 3 ') or floor space (72" by 3 ').
- It would be nice to have a chapter representative at the display to answer questions and assist with the display throughout the time the display is up.
- The State FCCLA Association will not provide any audio/visual equipment or electricity for Spotlight on Projects.

30 Minute Presentation

On Monday morning of Conference, attempts will be made to have a few short sessions for students. This would be a great time for your students to test their leadership/presentation skills and share what they did for Membership Drive, Fundraising, Service Projects, or National Programs. Did you have a student go to Japan with the Kikkoman Scholarship? Did anyone from your chapter submit an On-line STAR Event?

Fill out the Speaker Response Form [Click here for the form.](#)

Email it to Janis.brandt@nebraska.gov ASAP so we can schedule the date.

Work is currently being done to invite businesses related to the Human Services and Resources area to our conference. The location of the Career Fair is yet to be determined. We are hoping that many of these presenters will share with the students what they do in their line of work. We are trying to organize some short presentations within the exhibit arena.

The Voting Delegates will be involved in most of Monday afternoon with the election process. They will receive a ribbon as they sign in to observe the candidates in a problem solving event. The ribbons will be their ticket to pick up their official ballot *for the 2012-2013 State Officer Team* during the Opening Session, where the candidates will give their speeches. The number of votes each chapter has is determined by the size of the chapter the prior year. Voting Delegates also will be responsible for voting on any business that takes place during the conference meeting.

- Responsibilities

Voting delegates will be voting on state officers and any business of the state organization. Bylaws, amendments may be proposed by a chapter and presented to the state adviser prior to January 1 of each year. Proposed bylaws changes, and related information, if any will be discussed at the February Board Meeting. Information will be disseminated to each chapter preceding State Conference.

Please do not ask voting delegates to participate in sightseeing, shopping activities or events that will conflict with their scheduled responsibilities on Monday afternoon of the state conference.

The voting delegate needs to:

- Attend an orientation session for voting delegates.
- Attend a session called Fish Bowl, where the candidates will work as a team to solve a problem.
- Attend the opening session on Monday afternoon, when the candidates are introduced to the entire state conference and they give their speech and answer a situation and fact question. Delegates may vote on business items.
