Dumbo: Circus owner enlists former star Holt Farrier and his children to care for a newborn elephant whose oversized ears make him a laughingstock in an already struggling circus. But when they discover that Dumbo can fly, the circus makes an incredible comeback, with an entertainment venture, Dreamland. Dumbo soars to new heights alongside a charming and spectacular aerial artist, Colette Marchant, until Holt learns that beneath its shiny veneer, Dreamland is full of dark secrets.

Captain Marvel: Carol Danvers, a former U.S. Air Force fighter pilot, turns into one of the galaxy's mightiest heroes and joins Starforce, an elite Kree military team. Returning home with new questions about her past and identity, the Earth is caught in the center of a galactic conflict between two alien worlds.

Five Feet Apart: Seventeen-year-old Stella spends most of her time in the hospital as a cystic fibrosis patient. Her life is full of routines, boundaries and self-control -- all of which get put to the test when she meets Will, an impossibly charming teen who has the same illness. There's an instant flirtation, though restrictions dictate that they must maintain a safe distance between them. As their connection intensifies, so does the temptation to throw the rules out the window and embrace that attraction.
