

The FCCLA Stand Up national peer education program guides members to develop, plan, carry out, and evaluate advocacy activities to improve the quality of life in their communities. Members develop their voice to make a positive impact. Through their projects, members experience character development and improve their critical thinking, interpersonal communication, leadership practical knowledge, and career preparation.

The Nebraska Family Leader Team challenges each chapter to do a Stand Up Project in December. Complete the SPOT Outreach Application available on the Nebraska FCCLA Website before February 15, 2021 to be recognized at the Peer Education Conference in February. Also, chapters can apply for the High School or Middle School National Stand Up Award by March 1, 2021.
