Discover the National Programs

Materials Needed:
printed puzzle pieces, markers, crayons or colored pencils, a device to access the internet

PUZZLE OPTIONS:
- print one puzzle
- print one puzzle per national program (3)
- You can make additional copies of the middle pieces to make the puzzle larger. (12 pcs)
- You can print and then enlarge the pieces to make a bigger puzzle.

Chapter members should illustrate the puzzle based on the answers to the questions and prompts provided for each national program. Decorate your puzzle pieces with pictures, symbols, words, etc. Use your own unique creativity. Share a picture of your chapter's completed puzzle on social media.
