- FCCLA official dress
- red, black, or white collared shirts with sleeves (Please note that the FCCLA logo is NOT a required component)
- neutral colored pants, capris (must fall completely below the knee), or skirts (2 inches above the knee at its shortest point)

The following are items that will not be allowed to any session:

Members will also be asked to remove outerwear (coats, sweatshirts, etc.) before entering. Members who are found in violation of the dress code at any point before or during a session will be asked to leave immediately to change. They will be more than welcome to return to the session when their attire meets the dress code requirements. As an adviser, your assistance in ensuring your students are dressed appropriately prior to arriving to sessions is greatly appreciated.

This dress code will not apply to advisers and guests; however, advisers and guests are asked to dress in business casual or business professional attire.

For visual examples of the dress code and what is or is not permitted, check out the visual guide on the Nebraska FCCLA website on the [Members page](#).

This dress code assures that our members will appropriately represent the Association, their school, and themselves. This dress code was approved by the Board of Directors on July 20, 2015 and entered into the Nebraska FCCLA Operational Procedures at that time.

Adviser/Chaperone Guidelines

Advisers are responsible for the behavior and discipline of their students throughout the conference. Students causing a disturbance or displaying inappropriate behavior will be asked to leave the conference and/or hotel. In addition, if any issues are witnessed, advisers are encouraged to speak directly to the students' adviser to address the issue. All meeting attendees should be informed of the following:

- Behavior at all times should reflect a positive, professional image of you, your school and the organization.
- Any accidents, injuries, or illness should be reported to the adult chaperone or chapter adviser immediately. State staff should be informed of such incidents as well.
- All students will observe the 12:00 midnight curfew.

- Hotel fixtures must stay in their original location and not be moved out of, or around a room.
- Students may not purchase, possess, consume, or be under the influence of alcohol, tobacco, or drugs at any time.
- Advisers are responsible for the appropriate dress of their students. Please exercise due diligence prior to the event to ensure students meet the dress code. If a member is turned away, your professionalism is expected and appreciated.

Nebraska FCCLA does not have a set requirement for a chaperone to student ratio. However, a recommended ratio is 1 adult to every 15 students. Advisers are encouraged to seek clarification from your local school administration or activities director.

Voting Delegate Information

Each chapter should choose one individual to serve as a Voting Delegate. It is recommended that this person not be involved in STAR Events, a tour, FCCLA Serves, or the FCS Career Day as their schedule is very specific on Monday. Voting delegates are the individuals who will interact with our State Officer Candidates the most and have a more complete picture of who the best candidates may be.

The following details their schedule of events on Monday, April 6:

1:30-2:00	Voting Delegate Orientation
2:00-3:30	Fishbowl and Speeches
6:30-7:00	Cast ballot prior to Recognition Session at Pinnacle Bank Arena

Each chapter will receive one Voting Delegate ribbon in their registration packet. This ribbon will serve as their ticket to pick up their official ballot for the 2022-2023 State Officer Team and possible bylaws amendments during the Voting Delegate Session on Monday afternoon.

Each chapter receives one vote for State Officer Candidates. The number of votes for business items is determined by the chapter's membership from the previous year (as outlined in the Nebraska FCCLA Bylaws).

They will meet their District Adviser, other district officers, and experience team building and planning for the 2022-2023 year. Chapters should have a district representative selected *prior* to this meeting so that Districts can work toward accomplishing their goals for the year. For information about your District's practices, please consult the District Bylaws or contact your District Adviser.

These individuals may not be involved as a STAR Event competitor.

Hotels and Parking

Hotel Etiquette

Advisers, please educate your students on hotel etiquette. There are more people staying in these hotels than just FCCLA members. Please remind them that the other guests make first impressions about the student and our organization based on what they see and hear in the hallways, on the elevators, and in the lobbies. If you don't want FCCLA to have a negative reputation, instruct them to dress and act appropriately.

The following are a few specific tips to share:

- Always allow people to exit the elevator before boarding.
- Taking the escalator is a privilege; do not ruin that by attempting to go the wrong way on one.
- Treat and tip hotel employees for the services they provide. This may include shuttle bus drivers, housekeeping, wait staff and others. 10% is a good basic guideline for most services.
- Appropriate attire must be worn before, during and after visiting hotel facilities. Inappropriate examples would include wearing slippers to breakfast, a towel and/or bare feet to and from the pool, or going shirtless in the fitness center. Shoes must be worn at all times!
- Take what you want, but eat what you take. Some hotels provide free breakfast to all guests but make sure your students understand that this means they should eat what they take rather than waste food.

Hotel Reservations

All housing reservations must be submitted to the hotel directly. Chapters are highly encouraged to stay at the Graduate Hotel (main conference hotel), Courtyard by Marriott, Hyatt Place and or the Hilton Garden Inn, which are official conference hotels.

Safety at SLC

The following are guidelines and suggestions to keep in mind to keep you and your student's safe at SLC

1. All conference participants must wear a name badge in order to gain admittance into FCCLA events and meetings. Everyone must register for the conference in order to receive a name badge.
2. Make sure you have a list of who is staying in each hotel room and what their room number is.
3. Do NOT post students' names on the outside of their hotel doors.
4. Ensure students keep their doors completely shut and NEVER put the lock out to keep their door open.
5. While the neighborhood of the hotel and arena are extremely safe, students should always travel with at least one other individual.
6. Observe the curfew time.
7. Pay attention to traffic signs and flow. Many streets become one-way once you enter the downtown area. Most streets in the Haymarket area are 2-way. Use crosswalks and follow all crosswalk signals at all times
