

COMPETITIVE EVENTS

Skills Demonstration Events

Skills Demonstration Events are competitive events where members display their ability to accurately show Family and Consumer Sciences college and career readiness and similar occupations. It takes place on November 10th at National Fall Conference in Birmingham, Alabama.

Online Challenge Tests

Online Challenge Tests are exams taken virtually to test members' knowledge regarding FCS and related occupations to demonstrate college and career-readiness. Testing window is from October 23-27th.

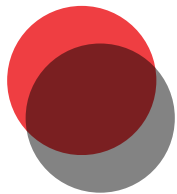

FCCLA/LifeSmarts Knowledge Bowl

LifeSmarts Knowledge Bowl is a team competition where two groups face off and answer questions relating to FCCLA, Family and Consumer Sciences, and related occupations.

The deadline for testing is September 27th, 2023.

STAR Events

STAR events are a group of competitive events where members, either individually or with a team plan, carry out, and evaluate a project or presentation to demonstrate knowledge of Family and Consumer Sciences education and related occupations, and/or to show that they made a positive contribution or impact in their lives and the lives of others.
