Nebraska FCCLA Recognizes State Leaders and Award Winners

Over 1,000 Nebraska Family, Career, and Community Leaders of America (FCCLA) student members, adult advisers and guests recently gathered April 7-9, 2024 in the Lincoln Haymarket area for the annual State Leadership Conference. Attendees came from 90 Nebraska schools to grow their leadership skills, celebrate their accomplishments from the past year, and prepare for their future careers. Vera Jo Bustos (Coach VJ) was the keynote speaker, and her message focused on helping members improve their performance through the mental game. She guided attendees in developing mindsets for forging team dynamics, nurturing a high-performance culture, instilling confidence, and imparting the principles of resilience and mental fortitude in the face of challenges.

Throughout the day on Monday, April 8, participants had the opportunity to attend a variety of breakout sessions presented by FCCLA leaders and outside partners, including Kaiti Blackburn from Jana's Campaign, Dr. Katie Graham and Sydney Kobza from the Nebraska Department of Education, Hannah Van Horn from National Center for Families Learning, Aimee Hoes from the Buffet Early Childhood Institute, and Reese Munson from the UNL Husker Venture Fund. The Opportunity Fair featured over 20 colleges, organizations, and businesses for members to connect with. Students also had the opportunity to give back to the Lincoln community through the FCCLA Serves projects. Students participated in service projects at the Lincoln Children's Museum and Food Bank of Lincoln. Members also had the opportunity to choose from a variety of tours, including Hudl, Lied Center, UNL Food Innovation Center, Nebraska State Capitol, and Memorial Stadium.

The on-site service project involved bringing school supplies, which were donated to Visionary Youth, whose mission is to impact families and change lives by supporting youth to reach their full potential in the Lincoln community. Howells-Dodge was the recipient of the Community Service traveling trophy for their participation in the on-site service project.

Over 570 students participated in STAR (Students Taking Action with Recognition) Events, FCCLA's premier competitive event program. Students placing first and second in their respective event level qualified to compete in the FCCLA National STAR Event Competition which will take place during the National Leadership Conference in Seattle, Washington, June 29-July 3.
