

Omaha Fashion Week Signature Page

Wednesday, February 25, 2026 | Omaha Design Center

Applicant Name: _____

Guidelines for Participation

- Be a member in an affiliated Nebraska FCCLA chapter.
- Student must create/construct one complete outfit for modeling.
- Application requires submitting pictures of the design, which should include croquis and pictures of the completed outfit (or elements that are complete).
 - Pictures should feature the design being worn (face may be blurred) and may include front, back, and side views.
 - If the design is not complete, pictures of fabric & design elements are appreciated.

Event Information

There will be a rehearsal on Tuesday, February 24, 2026 at 6:00pm CST at the Omaha Design Center.

Students must arrive to the Omaha Design Center on Wednesday, February 25, 2026 between 5:00-5:30pm CST; show begins at 8:00 pm CST.

- Students will model their own designs; Omaha Fashion Week will not be casting models for students.
- Hair and makeup should be done prior to arrival. Hair and makeup services will not be provided to students.
- Changing rooms will be provided for students to change if necessary. It is advised that students show up already wearing their garments.
- Pizza and water will be provided for students while they wait for the show to begin.
- An adult representative from Nebraska FCCLA will be present with students backstage.

Additional information about OFW Student Night can be found on their website:

omahafashionweek.com/studentnighthigh. *Please note that this website has not yet been updated for 2026.*

Applicants will be notified of their status to participate by December 1. There will be additional paperwork to complete once accepted to participate in the event.

- Agreement to attend and participate in live event as well as any additional event opportunities, which will require parent/guardian signatures for participants under 19.

Questions about Omaha Fashion Week can be directed to Chelsey Greene at chelsey.greene@nebraska.gov.

We have read the guidelines and understand, if the student named above is selected, the requirements of this event.
